Message from the Principal...

Bearcat Greetings!

We have had a great year at Olanta Magnet setting the course to SAIL towards excellence!

We started this year by focusing on getting back to “normal” in the midst of the pandemic with the implementation of our PBIS system and integration of Capturing Kids’ Hearts.

We focused on improving our academics while ensuring that our students and staff were in a safe learning environment. We continued implementing best learning practices through PLCs and other PD while focusing on the implementation of Letterland and IRLA to improve in the area of Reading.

Arts and Science integration opportunities continued this year in both virtual and face-to-face formats. We continued our journey to becoming a fully certified Green Steps School with only one area of implementation left.

We have had lots of learning and fun at Olanta to Magnet, which would not have been possible without the support of our wonderful families, partners, and staff.

Research supports the benefits to academics when supporting the whole child which is what we are all about at Olanta Magnet. SAIL and Excel, Never Sink or Fail, We are Olanta Magnet!

Proud Principal,
Mrs. Tonyelle Thomas
