

The JAG (Jobs for America's Graduates) Program returned to Timmons ville this year after a lengthy layoff. The JAG program teaches leadership, responsibility, as well as academic support for students of all levels. We will be adding one level each year until we have a complete four-year program here at Timmons ville High School.

Student Government

THS SGA consists of 20 students who are dedicated to creating a positive school environment, while learning and practicing principles of government. We had many activities, including the Blackout Party, On-A-Roll celebration honoring our top students, and a Holiday Door Contest at Christmas. We will be having a Field Day this Spring, with all profits being donated to the Timmons ville Boys and Girls Club.

Science Fair

Timmons ville High School had many winners at the Sand Hills Region IV Science Fair at Francis Marion University. We had four 1st Place winners, one 2nd Place winner, three 3rd Place winners, and three Honorable Mentions. We also had a student win the Stockholm Junior Water Prize, which included a \$75 award.

Sports

This year was a banner year for Whirlwind sports. Football, Boys and Girls Basketball, Baseball and Track all made the state playoffs. The Football and Track teams each competed for the Lower State Championship. There was one State Championship winner in Track also.

Report to the Parents 2013-2014

OUR REPORT TO OUR PARENTS

Our report is to inform parents of the progress and goals SIC has achieved this 2013-2014 school term and what our plans are for the upcoming school year.

2013-2014

- Student Handbook Update
- Title I Plan Update
- Dress Code Policies
- After-school program implementation

2014-2015

- Support the principals initiatives in continuing school growth which the school received the Palmetto Gold Award for General Performance 2013-2014
- Plans to re-open the career center which is our biggest goal. Students are in dire need to support college and career readiness goals.
