Message from the Principal

Johnsonville Elementary School strives to provide excellence in academics. Our Innovation classes, Robotics and Coding offer students an opportunity to participate in rigorous, differentiated opportunities. Enrichment time in the classroom offers students additional support based on their individualized learning levels. Dream Box, Reading Plus, and Raz offer computerized instruction to build upon weaknesses.

Our JES Family Nights have given parents the opportunity to interact with staff and students in a positive way to build a positive school-home relations.

We strive to build independent thinkers who will develop a love for learning and flourish in our society.
