**JES 2012/2013 Goals**

- Upgrades to technology program will be completed and SMARTBoards will be in all classrooms.
- \* Summer installation will begin June 1, 2013.

- Roof repairs will be completed.
- \* After receiving several bids, the district is moving forward with roof repairs at JES in the west wing of the school.
- Contracts with consultants to coach teachers and complete workshops in the area of Core Curriculum will be ongoing.
- \* The inservices began in August of 2012 and continued throughout the year with our own Core team.
- MAP testing will continue for grades 5K – 4<sup>th</sup> grade with no less than two testing sessions per year.
- \* MAP testing is ongoing.
- For security purposes, more cameras will be placed through the campus and upgrades will be completed to existing ones.
- \* Security bids are continuing to come in.

*students in a safe, supportive environment.*
