Principal's Message

The mission of Johnsonville Middle School is to provide each student with a diverse education in a safe, supportive environment that promotes self-discipline, respect, motivation, creativity, and excellence in learning.

Through a diverse educational experience, JMS will continue to encourage and educate students to be confident, knowledgeable, responsible and productive citizens in an ever-changing world. With your support we will be better able to accomplish this task. It takes a team, teachers and parents, working together to accomplish the level of achievement we want to see in our students.

The school has continued to implement the i-Ready online assessment and instruction that allows the teachers to provide students a path to proficiency and growth in reading and math. Students have yearly and stretch i-Ready goals to master throughout the year.

Dream Box Math and Reading Plus are additional learning resources that students have worked on to help close the achievement gaps in learning. Utilizing MTSS meetings to discuss student data and progress on a consistent basis, having assistance from the Literacy Coach and MTSS Coach, providing instructional tutors in each grade level, and participating in school-wide and grade level PLC'S on data dives are various strategies JMS is collaborating on as a team in order to meet the individual learning needs of our students.

Again, I am looking forward to working with you and your child next school year. I encourage you to visit JMS so that we can work together to ensure each student reaches his or her individual potential. The vision at Johnsonville Middle School is built on empowering all stakeholders to embrace a pathway to excellence. Together, we will help your child, and all of our students, develop a love for learning and good life-long habits!

SIC Annual Goals

**Increasing Parental Involvement**

- Involve parents in the planning, review and improvement of programs in the school wide reform plan through parent suggestions and input at School Improvement Council meetings and end of the year surveys
- Plan parent events such as Literacy Nights, Parent & Student Book Fairs, Veteran's Day, and Musical and Drama Performances that will encourage parent and community participation and support
- Provide various sources to increase communication with parents such as JMS Facebook, school website, newsletters from teachers and media specialist, and utilizing Bright Arrow messages
- Brenda Hannah will continue to serve as the FSD5 parent liaison. She offers resources to assist parents and students.

**Increasing Student Achievement**

- Administering i-Ready diagnostics three times a year to obtain data that will determine remediation needs for each student
- Reviewing quarterly academic performance for each student
- Utilizing instructional technology programs such as Reading Plus, Dream Box Math, and i-Ready to meet Typical and Stretch Growth Goals
- Two math/ELA certified Interventionists providing Intensive Tier 3 Instruction
- Enrichment Time with an Instructional Tutor for Each Grade Level
- Reading Coach and MTSS Instructional Coach
- Reading Coach provides monthly PLC'S and implements multiple incentives for student academic success
- MTSS Coach meets with classroom teachers and instructional tutors to discuss best practices/strategies and leads data driven discussions to determine student placement for tiered instruction
- Read to Succeed
