

MISSION STATEMENT

The mission of Johnsonville Middle School is to provide a safe and positive environment with extensive opportunities that allow students to develop skills, talents, and abilities as well as explore a wide variety of interests that encourage and promote self-confidence, growth, and responsibility which are essential to becoming a responsible citizen in our world today.

STATEMENT of BELIEFS

- All students can learn.
- All people have worth and dignity and deserve respect.
- All students and employees deserve a safe school environment conducive to learning and teaching.
- All students deserve the opportunity to become productive citizens.
- All individuals deserve the opportunity to maximize talents, abilities, and skills.
- Every student has a responsible role in his/her education.
- A school environment consisting of supportive parents, administrators, teachers, and community resources is essential for a successful educational experience.
- Continual parental contact is necessary for an effective school.
- All students deserve to be provided with a variety of instructional approaches to support learning, and to reflect advancements in technology.

JMS Junior Beta Club

The Junior Beta Club is a very active organization at JMS. Each year, about 120 students attend the South Carolina State Junior Beta Club Convention at Myrtle Beach, S.C. Consistently, our students win many awards. This year, our group won first place in Group Talent and Essay, second in black and white photography and sculpture. The Beta Club plans on attending the National Beta Club convention in Virginia over the summer.

Jr. Beta Club Motto:

*"Let us lead
by serving others."*

Student Council

Working at JMS

The **JMS Student Council** is a service organization whose goal is to serve the students at JMS as well as the community of Johnsonville. Student Council also serves as the student body government and the “voice” of the students. Through participation in Student Council, students learn to follow proper procedures to engender change. In November, Student Council sponsored the Carolina/Clemson Food Drive. Students, faculty, and staff donated food items which benefited the local community food bank (last year we collected almost 1,000 items), and in the spring Student Council will sponsor the Animal Shelter Project where items are donated for the shelter.
