

Purpose

The purpose of CCE is to engage students in a rigorous, developmentally appropriate curriculum that fosters confident and inquisitive lifelong learners with positive citizenship characteristics.

Direction

To accomplish the CCE Purpose, we will demonstrate...

Commitment – The staff will partner with parents and the community to enhance learning opportunities for all students in a safe, clean, and nurturing environment, as well as provide research based interventions to effectively meet academic and social goals.

Curriculum – The path of study for students involves effective teachers using a variety of instructional methods to develop the intellectual, emotional, and physical development of children.

Expectations – The success of students will include collaboration among all stakeholders in the community with teachers and parents sharing in the development of responsible independent learners.
