MISSION STATEMENT

To prepare our diverse population with the skills necessary to succeed in a complex society by encouraging family involvement, using creative instructional practices, and providing experiences that increase the students' opportunities for success.

GOALS AND OBJECTIVES FOR ANDREWS HIGH SCHOOL

The staff of Andrews High School is committed to providing every student with the best education possible allowing each individual to attain excellence by realizing their greatest potential. Our goals are as follows:

1. To provide an environment that is safe and conducive to learning.
2. To emphasize the worth and dignity of every individual.
3. To provide every student with the opportunity to experience success.
4. To recognize and provide for the individual needs and difference of all students.
5. To help all students understand their value as citizens in our complex and changing world.
6. To promote cooperative relationships between the school, the home, and the

community.

7. To provide students with opportunities for acquiring leadership skills through participation in clubs, student government, and other co-curricular activities.
