

Maryville Elementary School Annual Report to Parents

April 2024

South Carolina Statute (Act 135 of 1993) requires each of the state's School Improvement Councils to publish and distribute an annual Report to the Parents highlighting the progress the school is making in achieving the goals and objectives of the school's strategic plan. The report is developed by the School Improvement Council to share the challenges and successes of the school, students, parents and teachers for the current school year.

April 2024

School Goals

- Provide rigorous planning, instruction, and assessment to achieve academic gains in K-5 ELA and Math.
- Provide strategies to improve homeschool-community relations and an increase in teacher satisfaction with the learning environment.
- Provide strategies to improve communication and involvement to increase parent satisfaction with home-school relations.
- Provide for the comprehensive needs of all students thereby resulting in students being satisfied with the social and physical school environment.
- MES uses intervention groups to provide students with additional support in English/Language Arts and Math. Each of these small groups are data-driven and will be limited to 3-4 students per group.
- MES will provide teachers with professional development opportunities to enhance their teaching strategies and pedagogical skills.
