SCHOOL SUMMARY REPORT

2019-2020

The mission of Maryville Elementary School is to work hand-in-hand with parents and the community to develop critical thinking and well-informed, responsible citizens by providing students with an education designed to meet the demands of a constantly changing society.

SIC Annual Goals

- Provide rigorous planning, instruction, and assessment to achieve academic gains in K-5 ELA and Math.
- Provide strategies to improve home-school-community relations and an increase in teacher satisfaction with the learning environment.
- Provide strategies to improve communication and involvement to increase parent satisfaction with the home-school relations.
- Provide for the comprehensive needs of all students thereby resulting in students being satisfied with the social and physical school environment.
- MES plans to use intervention groups to provide students with additional support in English/Language Arts and Math. Each of these small groups will be research-based and will be limited to 3-4 students per group.
- MES will provide teachers with professional development opportunities in order to provide better instruction.
