Annual School Improvement Council Report to Parents

Purpose of the Report: This report is issued by Carvers Bay High School Improvement Council in accordance with South Carolina law to share information on the school's progress in meeting various goals and objectives, the work of the SIC, and other accomplishments during the school year. SIC works in conjunction with PTO.

“The ultimate goal in school improvement is for the people attached to the school to drive its continuous improvement for the sake of their own children and students.”

School Facilities Upgrades

CBH received a new auxiliary gym This gym allows for more team practices at the same time so that students are not on campus late. It also allows the option to hold more events. In addition to the auxiliary gym, there is a new tennis court. CBH is in the process of establishing a tennis team. Tennis is another activity being offered to get students involved in extra-curricular activities to help create the well-rounded student.
