

CATE Accomplishments

Building Construction:

Instructor organized a program with Youth Apprenticeship Carolina SC Technical College System.

Students will begin the apprenticeship in 10th grade. By senior year, the student would have obtained hours to allow them to work with a company from the participating business partners through the "Ride Along" program to complete the certification and be eligible for employment. Certification programs include HVAC and Plumbing.

Participating companies are Carolina Cool, Santee Cooper Electric, CSX Transportation (Railroad), Dependable Plumbing, DuMont Brothers Construction.

Student Achievement

Due to COVID 19, test data is limited or incomplete. Schools were not rated for the 2019-2020 school year and will not be for the 2020-2021. School Report Card data such as EOC scores, College and Career readiness statistics and graduation rate will be released for the 2020-2021 school year in the fall. Please go to ed.sc.gov for S.C. School Report Card information.

Additional Information

Students are encouraged to participate in athletics, clubs and organizations at Carvers Bay High. Tutoring is offered every Monday, Wednesday and Thursday from 4:15pm – 5:15pm

Greeting Carvers Bay Family,
It is my intent to ensure that each of you are provided updates and information as it pertains to daily school operations. As such I would advise that I have an open-door policy and I'm eager to hear and address your concerns. Please register for the uproar and check out our Facebook and School's Web Page for the latest update as we continue to navigate through these unprecedented times, remembering that together we can accomplish all things.

"Students first is the Standard"

Thanks!!!!
Larry Odom, P

Facility Upgrades

Carvers Bay High has received many upgrades this year. Awnings have been installed to protect staff and students from the rain. Benches in front of the school for students to wait on parents and a new training room for athletes, along with new baseball and softball fields.
