"Education is the most powerful weapon which you can use to change the world."  
– Nelson Mandela.

**"This Report is issued by the Carvers Bay High School Improvement Council in accordance with South Carolina law to share information on the school's progress in meeting various goals and objectives, the work of the SIC, and other accomplishments during the school year."**

# AVID

(Advancement Via Individual Determination)

## Binder System Initiative

All Students were issued a three-ring binder with several school needed items such as pencils, section dividers, and paper to increase organizational skills.

## WICOR Strategies

Implementing WICOR, which stands for Writing, Inquiry, Collaboration, Organization, and Reading strategies through AVID at Carvers Bay Early College and Career High School represents a transformative approach to education that equips students with the skills needed for academic success.

## Collaboration

Carvers Bay Early College and Career High School held several AVID showcases which celebrated student achievements, promoted community engagement, and demonstrated the effectiveness of various school programs.

### Vision

**To develop global competitors by promoting innovative Pathways, competition, character development, social integrity, while understanding and accepting consequences as an integral process of graduation from high school**

## New seating in school cafeteria

Hudl Focus video software added to main gym and a dance studio added to Fine Arts department
