How to Get Involved

The Carvers Bay Early College and Career High School School Improvement Council (SIC) is a meaningful way for parents, students, community members, and school staff to work together in support of student success. SIC members help strengthen the connection between school, home, and community by sharing ideas, reviewing school needs, supporting improvement efforts, and helping promote a positive school culture.

We invite families and community partners to get involved by attending meetings, offering feedback, volunteering for school initiatives, supporting student-centered events, and helping us celebrate the great things happening at Carvers Bay Early College and Career High School. Your voice matters, and your involvement helps us continue building a school community where every student is supported, encouraged, and prepared for the future.

SIC Goals and Progress

The SIC at Carvers Bay Early College and Career High School is focused on supporting the school's ongoing improvement efforts in the areas of student achievement, school culture, family engagement, and college and career readiness. Our goals include helping increase academic success, encouraging consistent attendance, supporting positive student behavior, strengthening communication with families, and expanding opportunities for students to explore future pathways.

Progress is being made through continued efforts such as monitoring student academic data, supporting intervention opportunities, promoting parent and community involvement, encouraging participation in school events, and highlighting programs that prepare students for college, careers, and leadership. The SIC remains committed to working alongside school leadership, families, and community partners to help every Carvers Bay Bear succeed.
