Greetings From the SIC Chair

Thank you for allowing me the opportunity to serve your children as School Improvement Council Chairperson. The SIC has worked closely with the principal and has taken an active role in the decisions made this year to directly improve the education of the students at Carvers Bay Middle School. We have collected and carefully considered data from parents, students, teachers, test results, and the School Report Card to identify areas that need improvement.

The areas we addressed this year include:

- Improving Community Involvement
- Encouraging Parental Involvement
- Promoting Teacher Collaboration
- Increasing PASS Scores
