Student Leadership

Student Leadership

Interhigh Council -

Four students from each high school serve in Interhigh Council, an advisory panel that meets with Dr. Royster, GCSD Superintendent, once a month. They discuss topics that range from our district's G+ initiatives and transitions from high school to the postsecondary world to concerns about students' mental health and perceptions of their teachers. These students then bring back new ideas to their home schools and implement in the best way for their school.

Sponsored #Together Again Week district wide to celebrate coming back together from COVID.

Bee Club

Eastside's Bee Hive has been installed, populated by honeybees and the bees are busy! We also now have a Bee Club. This is a great educational opportunity for the students to see how a honeybee colony works to raise young, collect pollen and nectar, and make honey! This project is going so well the bees have swarmed in 2022.

Teacher Forum

Monday Morning Check In for teachers and staff

Opportunity to give feedback and rate busyness of the week
