MAGNET PROGRAM

Greenville High School Academy of Law, Finance and Business is a **unique specialized program** (an extension of Greenville High's core academic program), with learning-based activities that develop students' understanding of a wide variety of topics and issues. Highlights of the program include a rigorous and relevant curriculum, opportunities for job shadowing and real world experiences such as Mock Trial, Forensics and student-led Credit Union. In addition, **college credit can be earned** in each focus area.

- **LAW:** Students who are interested in pursuing a career in the legal profession or in law enforcement will be engaged in stimulating challenging instruction that introduces them to topics in law, criminal justice and public policy.
- **FINANCE:** Students, who are interested in serving our community or managing their own personal finances, will be introduced to such topics as banking, securities, and financial planning. Students are prepared to compete in a changing specialized profession that is driving our global society.
- **BUSINESS:** Students who are interested in understanding the sound decisions that must be made in the global context of business and its impact on society will be offered courses that apply to real world situations.
