Facilities

Greer High is located in its present facility that was completed in 1998. The school is situated on 105 acres of land in a rural setting north of Greer. The school has more than 100 classrooms that are noteworthy for: eight computer labs, a state of the art manufacturing lab, a newly updated Project Lead the Way Pre-Engineering Lab, science labs, an instructional Media Center, the 600 seat Margaret Burch Auditorium that is equipped with light and sound systems, an open and remodeled Marion Waters Commons Area, acoustically sound Band and Choral Music Rooms with private rehearsal rooms, the 2000 seat Lewis Phillips Gymnasium and a secondary mini-gym, and an attractive Atrium area that mirrors the IB Programs international emphasis with an international flag court. Additionally, Greer High has two art studios with a photography lab and kiln and a Virtual Enterprise class lab. Athletic facilities include a newly renovated football stadium with expanded seating for 4,500, new concession stands, restrooms, and a scoreboard. Greer High also has new tennis courts, a new eight lane track, and excellent baseball and softball facilities that are lighted. All facilities are handicapped accessible.
