Our Commitment to the Future

The past year has been one like no other before, where our student body, faculty, and community continued to embrace and embodied our slogan, "We are Devildogs!" As a school, we continue to review academic data and adjust our curriculum and programs to meet the needs of every student. Additionally, our extra-curricular activities have expanded and have experienced significant success. Our fine arts department continues to win multiple state-level awards. The Theatre department had one student earn Best in Show at SCTA and one student earned a Superior Acting award. Also, the Theatre program earned an Excellent Rating at the Palmetto Dramatic Association (PDA). The Band program had sixteen students that were selected for All-Region Band. Also, we had sixteen students selected for All-County Band. Our Student Council demonstrated our strength in student leadership by raising money for charities during our December toy drive and Spirit Week during the second semester. Athletically, we continue to experience growth in our success, with multiple playoff berths, 7 region championships (Boy's and Girl's Swim, Boy's and Girl's Tennis, Boys' Basketball, Girls' Soccer, and Baseball) and two all-state performers. This year Competitive Cheer finished 5th in the State. As always, we maintain a commitment to continuous improvement. We study our school-wide data constantly and make the necessary adjustments to our instructional program. Looking forward to the 2022-2023 school year, we are making the required adjustment to maintain our quality educational program in the face of ongoing budget challenges. These are just a few of our accomplishments and efforts to ensure that Travelers Rest High School will continue to be the best possible school for our students. Thank you for your support and assistance as we continue to work together for our students.

Daniel Bruce – Principal

Mission Statement
