From Ms. Nesbitt, Principal

Hello Alexander Eagles. I am extremely enjoying my time at Alexander Elementary as the principal. I consider it an honor and I am dedicated to ensuring that our students are safe so they can learn. I have been an elementary and middle teacher and administrator. Our motto this year is: Leaders light their paths. It is our goal at AES to provide all eagles with the support, knowledge, and opportunities to grow them as leaders for themselves and others. There will be opportunities for parents/families to become involved and share their voices throughout the school year. Test scores are up at Alexander and that continues to be the trend. Families are a big piece of the team by being involved with students academically and supporting school-wide initiatives.
