## School Improvement Council 2020-2021

Report to Parents

**We're All In This Together**

## Armstrong Elementary

We the faculty at Armstrong Elementary School will create a safe environment that inspires and improves the quality of life for the students we serve.

### WE PROMISE TO.....

Collaborate productively and efficiently to cultivate  
a community of learners

Develop the potential of individual students while  
promoting a love for life-long learning; empower  
our students to make a difference and achieve  
excellence; encourage our students to be confident  
learners as we collectively invest and share best  
practices. We will provide the students we serve a  
quality education.

# ANNUAL SCHOOL IMPROVEMENT COUNCIL REPORT TO PARENTS

## Armstrong Elementary

### School Goals

Armstrong Elementary helps each student develop world class, life and career skill characteristics which are reflective of the Graduate Profile. We achieve this by providing a safe, nurturing, and academically challenging learning environment.

### Our Mission

“We the faculty at Armstrong Elementary School will create a safe environment that inspires and improves the quality of life for the students we serve.”

### Other Programs Implemented:

- ⇒ Positive Behavior Management System
- ⇒ Student Enrichment Clubs
- ⇒ Intervention/Enrichment Time
- ⇒ 21st Century Technology Skills
- ⇒ IXL Implementation

## Armstrong Elementary School Accomplishments

Armstrong Elementary provided many opportunities to support the academic success of students. We continued our implementation of Balanced Literacy practices school wide. We also continued our Response to Intervention (RtI) program which supports at-risk readers in kindergarten through second grade. We offer an afternoon tutorial using IXL, and a Morning News Club in fifth grade. We continue to support our students with a literacy specialist.

All of the students in grades K-5th are assigned a personalized device to access online educational resources. Throughout the year, student learning experiences are enhanced through the use of various technological tools and programs such as Promethean Boards, English in a Flash, Reading Eggs, Learning A-Z, IXL, Flocabulary, Reading A-Z, internet accessible computers, Chrome books and iPads. We also provide instructional technology using SeeSaw, Google Slides, Google Forms, and Google Classroom.

We incorporate Growth Mindset across the school and within our guidance and behavior intervention support lessons. Two support classes have been added for students with disabilities.

We promote parent involvement including but not inclusive to our PTA Meetings, and Title One Parent Meetings, Awards and Student Recognition Meetings, Fall Parent Conference, Student Led Conference, SIC Meetings

We implement a school wide positive behavior plan and use regional teams to help build social, world-class, and life-long learning skills.
