

ANNUAL REPORT TO THE COMMUNITY

BEREA ELEMENTARY SCHOOL 2022

The mission of Berea Elementary, in cooperation with home and community, is to prepare children to be critical thinkers, problem solvers, and responsible citizens by creating meaningful learning experiences in a technology rich environment.

ABOUT US

 @BereaElementary

Berea Elementary School creates a safe, inviting atmosphere which fosters learning. Teachers utilize daily essential questions, adhere to state standards, and encourage students to exhibit positive character traits. Our staff participates in professional development in the areas of Math, English/Language Arts, Writing and Technology. District personnel provide practical, hands-on opportunities for teachers to grow and develop professionally. Instructional Coaches ensure best practices are followed and are available to support each classroom teacher. Technology training assists the teachers in providing multiple opportunities for students to be actively involved in classroom lessons.

We are in our 9th year of personalized learning with all students having access to technology such as Chromebooks and iPads. Title 1 provides our parents with multiple levels of involvement. A wide variety of topics such as homework help, reading as a family, hands-on math activities and healthy homes were covered with the purpose of helping parents help their children both at home and school in practical ways. We continue to find ways to provide enrichment to student through extra-curricular activities through partnerships with local organizations and Communities in Schools. Our academic performance continues to improve. We exceed the both the district and state average in our Math SC Ready scores and have narrowed the gap in SC Ready ELA.
