ABOUT US

 @BereaElementary

Berea Elementary School creates a safe, inviting atmosphere which fosters learning. Teachers utilize daily essential questions, adhere to state standards, and encourage

students to exhibit positive character traits. Our staff participates in professional development in the areas of Math, English/Language Arts, Writing and Technology. District personnel provide practical, hands-on opportunities for teachers to grow and develop professionally. Instructional Coaches ensure best practices are followed and are available to support each classroom teacher. Technology training assists the teachers in providing multiple opportunities for students to be actively involved in classroom lessons through the use of iPads, Promethean Boards, ActivExpressions, and other programs. Title 1 provides our parents with multiple levels of involvement. A wide variety of topics such as homework help, reading as a family, hands-on math activities and healthy homes were covered with the purpose of helping parents help their children both at home and school in practical ways.
