For your passion, we give you thanks. We saw your students' eyes sparkle. For your participative style, we give you thanks. We saw students owning the visual charts and actions. For enriching the students lives, we give you thanks. We saw the seeds of a richer community of the future."

Pierre Andreani,  
Michelin Manager

**Ratings—Pause Year**

**MAP Data-Fall to Spring 2016**

Reading	Math	
41.6	26.6	SCE
45.2	37.0	District

### **Review of 2015-16: SIC Objectives:**

#### **Curriculum:**

Test Data was analyzed to identify strengths and weakness of the curriculum for the purpose of continuous improvement (throughout the Year)

The computer lab offers skilled practice in math, ELA, and reading as well as assessment with NWEA's Measures of Academic Program

Training was provided for the teachers in Google Drive, Inclusion, and Student centered Learning.

#### **Environment:**

Emergency Procedures were reviewed and updated.

The SIC supports Title One program about Gang Awareness and Bullying. (Fall to Spring Sessions)

The SIC sponsors Student Leadership Day for the community. March 16, 2016 Emphasis on Reading to improve instruction. Making more time for reading. Providing access and making it fun.

#### **Home School Connections:**

The SIC supports L.I.N.K (Let's include new kids)

The SIC volunteered to act as ambassadors for SCE.

The SIC has provided numerous opportunities for parent involvement through Family Nights. with the PTA and Title One.

### **Core Beliefs :**

Students are the center of the educational process.

Students learn most effectively in an environment nurtured by competent adults. Consistent, just, fair discipline throughout the school creates responsible citizens.

Education is the shared responsibility of home, school, and community.

#### **SIC Members:**

**Jessica Garza—Chair**
