Accelerated Reader
Student Leaderships
Voices Important to Plain
(VIP)
Virtual Field Trip Classroom
WPES – Morning News Show
Panda Pacers
Lego Club

Plain Elementary opened its doors for the first time in August 1982 and proudly welcomed 652 students ranging from kindergarten through fifth grade. The building was constructed on land, that many years ago, surrounded a stage coach and mail delivery stop in what was then a small rural pioneer community. The school's name reflects the rich history of the community it serves.

The school facility has changed over the years. Initially, portable classrooms were added to alleviate overcrowding as the student population soared during the 1990's. A decade later, an expansion and renovation of the original building was deemed necessary. Construction was completed in 2006 to support one thousand students.

We continue to maintain high expectations for all students by implementing research-based instructional practices to meet the needs of every child. Our community's goal is to build strong academic, social, and emotional foundational skills for our children. Continuous school-wide improvement and a voice in the educational process are valued by our citizens. A safe learning environment which cultivates mutual respect is paramount to our school family.

Our School Improvement Council (SIC) continues to work with TreesGreenville to beautify school grounds through our annual "Hands on Plain Elementary (HOPE) Day. They also have planned our third annual Panda 5k run & walk for the spring.

From the original school mission, "Blazing Trails from the Future," to our present vision, "A School Family - Positively Committed to Excellence," we embrace our past and future while striving to make a positive impact in the lives of our students, parents, staff, and community members. We are a collaborative school family and have a dynamic, thriving learning community.

Plain Elementary School scored above the District average in Reading, Writing, and Math on the SCReady Assessment for 2018!

Our Results...

	2017	2018
ELA	60	61
Mathematics	65	70
Science	49	67.4
Social Studies	85	84
