Crestview’s Student Population

Crestview’s renovation was designed to accommodate six hundred seventy-five students. Enrollment trends in the previous three years supported the recent expansion.

Currently our enrollment is 640 students.

PASS SCORES

Percent of students who met the standards:

| English Language Arts | | |
|-----------------------|----------------|----------------|

Palmetto Gold School

GOAL 1: To improve English/Language Arts PASS scores in grades 3 through 5.

- Provide small group instruction with stimulus teacher for targeted 3rd, 4th, and 5th grade students
- Ensure that language arts instruction includes the state standards.
- Implement *4 Blocks Model*, best practices, and research-based strategies in all classrooms
- Develop an Academic Plan for targeted students
- Ensure that all teachers are using Essential Questions and Activating Strategies

GOAL 2: To improve Math PASS scores in grades 3 through 5.

- Provide small group instruction with stimulus teacher for targeted 3rd, 4th, and 5th grade students
- Analyze benchmark math tests to identify student strengths & weaknesses; monitor and adjust instruction
- Ensure that math instruction includes the state standards
- Utilize district math curriculum pacing guide to drive math instruction
- Develop an Academic Plan for targeted students
- Ensure that all teachers are using Essential Questions and Activating Strategies

GOAL 3: Ensure Quality Personnel by Providing Staff Development

- Present *4 Blocks Model* training at faculty meetings
- Support *Everyday Math Counts* training for all teachers of math
- Provide training in Divergent Learning and Brain Research
- Provide *INTEL* computer training for all teachers

Our Principal, David Langston (pictured above right), began his tenure at Crestview on January 4, 2010. This is his 17th year in education where he has held such positions as Assistant Principal, middle school math teacher, varsity soccer coach, department chairperson, and after school administrator. Prior to moving to Greenville in 2005, Mr. Langston taught middle school mathematics in Gainesville, FL, Salt Lake City, UT and Savannah, GA. He has earned his Specialist degree in Educational Leadership as well as his Bachelors and Masters degrees in Elementary Education from The University of Florida. Mr. Langston is committed to helping everyone at Crestview succeed. He believes that teachers, parents, students, staff and community should work together in a collaborative effort to meet the academic, social and emotional needs of the children.

Mission Statement

Our mission is to partner with the students, family, and community to ensure that all children succeed in a safe, nurturing, and academically challenging environment.

The School Improvement Council (SIC) at Crestview Elementary has prepared this report for you. More information can be accessed on our website. If you have any questions regarding the information summarized in this report, please do not hesitate to contact one of your SIC representatives.
