# OUR SCHOOL

Our school is helping all students develop the World Class Skills of the Profile of the South Carolina Graduate by providing opportunities for students to be critical thinkers, communicators, collaborators, and creative problem-solvers.

Our mission, “**Connect, Engage, Create,**” is evident through our commitment to building positive, student-centered relationships, providing rigorous, standards-based instruction, and taking into account the whole child by capitalizing on each student’s unique talents, goals, and passions.

Our teachers and staff engage in collaboration that builds solid foundations for professional learning communities and continuous reflection for growth and improvement.
