

WOODMONT MIDDLE SCHOOL

INTERNATIONAL BACCALAUREATE SCHOOL

School Improvement Council

Annual Report to Parents 2016 - 2017

Mr. Gregg Scott, Principal

Dr. Judy Davis, SIC Chair

"Climbing to New Heights..."

Woodmont Middle School provides a nurturing and positive school environment where everyone feels respected and valued. Teachers and students listen with empathy and support each other. From a student's first day at Rookie Camp through the end of 8th grade, students are encouraged to set goals and actively contribute to a positive school climate.

The IB Middle Years Programme uses IB Principles to develop balanced students who are caring, knowledgeable communicators, thinkers, inquirers, and risk-takers. MYP encourages students to be independent thinkers who can recognize relationships between school subjects and the real world. As part of the IB program, Woodmont Middle students give back to the stakeholders by participating in community service. Students take leadership roles through student-led conferences. At the end of each school year we have a Cultural Night to showcase student learning across all content areas. The school celebrates IB Learner Profiles as *Student of The Month* to recognize students who exhibit the characteristics of the IB Learner.
