About SIC

The School Improvement Council, or SIC, is a government-mandated body of elected parents, teachers, and appointed community members designated to establish an influential voice in the education of children served by the school.

SICs across the state take an active role in the continued improvement and educational progress of each school by participating in the school's five year improvement plan and providing an annual report to the parents and community detailing how the school is implementing the five year improvement plan.

Fork Shoals SIC Members

Officers:

Megan Medearis, Chair

Ex-Officio Members:

Kim Reid, Principal
