Greer Middle Mission Statement

The mission of Greer Middle School is to empower students to become independent, productive learners who exemplify good character in an increasingly global society.

Our Goals

1. During the 2014-2015 school year, 57% of GMS students will meet or exceed their growth goal on MAP Math as measured from fall to spring.
2. During the 2014-2015 school year, 77% of our students will score at or above the benchmark on the ACT Aspire Math Test.
3. During the 2014-2015 school year, 63.5 % of our students will meet or exceed their growth goal on the MAP Reading as measured from fall to spring
4. During the 2014-2015 school year, 73% of our students will score at or above the benchmark on the ACT Aspire ELA Test..

Student Achievement

On the 2014 State Report Card Greer Middle achieved an absolute ratings of AVERAGE and an improvement rating of Average.

The school met all except 3 objectives for AYP (Adequate Yearly Progress) This resulted in a Not Met status. Greer Middle did not meet the objective for math and ELA for one sub-group and did not meet the objective in math for another.

The percentages of our students scoring MET or EXEMPLARY on PASS for 2014 as indicated on our School Report Card were:
Math—74.2%

Reading—70.1%

Science—72.9%

Social Studies—74.7%

Writing—72%

AYP is based on meeting objectives in several areas including a percentage of students on PASS and ACT, their performance on the test, and their attendance. This information is divided into subgroups according to race, gender, lunch status, English language proficiency, and disability status. The number of subgroups varies from

school to school based on the diversity of the school and the amount of students that are in a subgroup. Subgroups contain at least forty students. To view the entire report card for Greer Middle for the 2013-2014 school year enter this link in your browser's address bar <http://ed.sc.gov>

Year	Absolute Rating	Improvement
		Rating
2010	Average	Average
2011	Average	Good
2012	Good	Good
2013	Average	Average
2014	Average	Average

2007-2008	55.65%
2008-2009	60.52%
2009-2010	64.64%
2010-2011	68.75%
2011-2012	68.95%
2012-13	69.63%
2013-14	72.34

Each year, a "poverty index" is determined for each school and district in South Carolina. The index is based on free and reduced-price lunch data and Medicaid eligibility data.
