### BELIEFS ABOUT CURRICULUM, INSTRUCTION, AND ASSESSMENT

- Education is a responsibility that involves home, school, and community.
- Students deserve to learn in a safe, caring school environment.
- Academic growth and social-emotional learning is essential to the development of the whole child.
- Every person deserves to be valued and treated with respect.
- It is important to help students develop positive character traits.
- Students should be encouraged to take risks and have opportunities to be creative.
- Students should be equipped with skills to become a responsible digital learner.
