Dear Parents & Community,

On behalf of our School Improvement Council, we present to you our 2018-19 Annual Report to parents.

This report is provided to the parents in compliance with the state's school council guidelines. This brochure provides a summary of some of the accomplishments from this year.

Mauldin Elementary is a Leader in Me school with very active parents and an involved community. We all work together to ensure that our students get a relevant and quality education while learning to be leaders. Our Parent Teacher Association and School Improvement Council work in partnership to fulfill our school's mission.

This year we have continued our STEAM lab for students in grades 3-5. Our PTA has also promoted parent involvement including our Watch DOG program that incorporates our Dads into the school. We have developed consistent expectations for our students to "step out and LEAD" and to be leaders.

We are working diligently to close achievement gaps and ensure that all students make academic gains. We will continue to provide quality educational experiences that INSPIRE students to BELIEVE they can ACHIEVE their DREAMS.

Children first,
Jamie Spinks, Ph. D.—Principal
Melissa Creazzo, SIC Chair

School Improvement Plan 2018-2019

District Goal: Improve Reading Performance— Enhance focus on early literacy and K-8 Reading

Mauldin Elementary Goal: All students will show increased academic achievement in the areas of Reading, Math, Science and Social Studies.

Action Plan Examples:

- ◆ Effectively use formative assessment data to inform instruction at a rigorous level
- ◆ Provide intentional support for students by using Morning Tutoring Program(s), applying differentiated instruction, and harnessing guidance from Literacy Specialists
- ◆ Utilize the GCS framework for explicit and consistent instruction in Balanced Literacy

District Goal: Provide Excellent Teachers and Principals— Recruit, develop and retain high quality teachers and school leaders

Mauldin Elementary Goal: The school will have qualifies, diverse teachers b 2023.

Action Plan Examples:

- ◆ Participate in training opportunities to help existing teachers work with diverse students
- ◆ Utilize the GCS list of quality candidates who are diverse when hiring

District Goal: Expand whole child supports—by increasing mental health supports and teaching social, emotional and life skills

Mauldin Elementary Goal: Create and sustain an environment that supports mental and social and emotional health, as indicate by an annual decrease in the percentage of students who report feeling afraid, lonely, or angry (AdvancED).

Action Plan Examples:

- ◆ Utilize character education programming in school counselor's yearly plan
- ◆ Build positive environment with Leader in Me implementation
- ◆ Implement the OnTrack process to monitor and support students at-risk.

The School Improvement Plan has developed with much dedication by the faculty, administration and parent volunteers.

This publication lists highlights only. A detailed plan is available in the School Portfolio located on the school website or in the school office.
