

School Improvement Plan*

2013-2014

District Goal: Raise the academic challenge and performance in each student.

Mauldin Elementary Objective: Students who score proficient or advanced in Math, English/Language Arts, Science and Social Studies will increase annually.

Action Plan Examples:

- Review test data to identify strengths and weaknesses
- Provide additional support for students by using Morning Tutoring Program(s) and differentiated instruction
- Ensure the Language Arts and Math Programs are driven by the state standards

District Goal: Ensure Quality Personnel by Providing Professional Development

Mauldin Elementary Objective: All teachers will continue to be provided training in Balanced Literacy and the standards.

Action Plan Examples:

- Provide teachers with district and school based trainings to support these programs
- Encourage and provide teachers with opportunities to attend professional developments relevant to their grade level and subject matter

District Goal: Provide a school environment supportive of learning

Mauldin Elementary Objective: Student attendance rate will maintain a 95% average or better

Action Plan Examples:

- Review and develop school-wide incentives for attendance
- Continue to monitor student attendance
- Continue to emphasize attendance as a part of our P.B.I.S. system (be ready to learn)

*The School Improvement Plan was developed with much dedication by the faculty, administration, and parent volunteers.

Parents, Businesses, and Community Members:

You can make a difference!

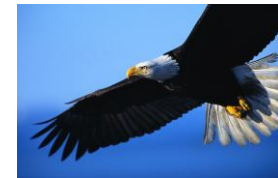

Call the school to find out how you can help the children of Mauldin Elementary achieve their dreams. Volunteers are needed to mentor, tutor, speak on career day, share expertise, assist with fundraisers, make donations, shelve library books, read to younger children, serve on committees, and provide assistance in many other areas.
