

This has been a rewarding year for both our school and the community we serve. Northwood maintained our “Excellent” rating on the SC State School Report Card for 2022-2023.

Our dedicated faculty continues to work together using student achievement data to craft our school goals and develop strategies for continuous improvement within our classrooms.

Our school culture thrives with our uniform dress code, which positively impacts our academic success.

Northwood will continue to build on the successes of the past, while continuing to pursue the utmost for our school community in the future.
