~National PTA School of Excellence
~RAMP (National Model) School for our
Guidance Program: 2017-2022

Congratulations to the students who were selected as our Leaders of the Month. Check out their wall of fame in our atrium.

Mrs. Brice, Mrs. Grieve-Beal, Mrs. Hoenshel, Ms. King, and Ms. Vincent earned National Board Certification renewal.

Congratulations to Mrs. Gordon, our 2019-20 Teacher of the Year and Mrs. Mathews, our 2020 Literacy Teacher of the Year.

We have had great success with student clubs this year. We are also proud to have a Student Lighthouse Team for student voice in our school. Another celebration for this school year is our successful Family Book Study.

SIC Annual Goals

Current goals, Actions, & Outcomes

- Raise the academic challenge and performance of each student.
- Increase learning outcomes for traditionally underperforming student demographic groups.
- Increase the percentage of K-5 students reading on grade level.
- Hire and retain qualified, diverse teachers.
- Create and maintain a positive environment for teachers, students, and parents.

We have several things in place to help reach our academic goals, including morning math tutoring, academic coaching, OnTrack, intervention programs, small group academic groups, and more. To promote teacher retention, we supply a “Sharpen the Saw” station for teachers. We also provide monthly treats to our staff. In the spring of 2019, our SIC led an “All Seals on Deck” day at our school where volunteers spent time working on our school environment. This event was so successful, that we plan for it to be an annual occurrence. SIC members are currently working on displaying inspirational quotes in student restrooms.

Additional Information

We are proud to be a Leader in Me school! Based on *The 7 Habits of Happy Children*, The Leader in Me equips students with the self-confidence and skills they need to be successful for life. We strive to help all students develop the life and career characteristics of the Profile of the South Carolina Graduate by “Preparing students to be productive, respectful, and responsible”.

We use a balanced literacy program with for our literacy curriculum and guided math for our math curriculum. Our cohesive academic enrichment and strong standards-based core instruction contribute to students' success. We are continuously measuring and monitoring student achievement. Our vision is to help each child reach their full potential through creative and challenging learning opportunities. We will continue to keep our standards high by analyzing test data, through commitments to team planning, and maintaining an atmosphere where children love to come to school to learn.

Having the support of our families and our community is important to us- we welcome anyone who wishes to become more involved in our school!
