Mission Statement:

*To provide every student with a world-class education
allowing them to graduate college, career, and life ready*

Programs, Organization, Activities, & Achievements

AFHS is a member of the High Schools That Work network. This gives us access to numerous opportunities for professional growth and best practices for student achievement.

- Students continue to participate in Gear Up and Trio activities through South Carolina State University.
- A partnership with Denmark Technical College affords students the opportunity to enroll in a course offered through the college.
- Students have the opportunity to enroll in dual credit courses at USC-Salkehatchie.
- Teacher Cadet is offered to students who are interested in the teaching profession.
- AFHS BETA Club and NHS have participated in numerous service learning activities.
- AFHS continues to participate with the Positive Behavior Intervention Systems (PBIS) which provides incentives for students.

***Congratulations
Dr. Sanamandra Sudhakar***

2018 – 2019 AFHS Teacher of the Year

Allendale-Fairfax School's Report to the People is developed by the School Improvement Council for the purpose of sharing with parents and community the achievement and challenges of the current 2015-2016. This report is required by state law.

The Allendale County School District does not discriminate on the basis of race, color, religion, national origin, sex, age, or disability in admission to, access to, treatment in or employment in the program and activities. Inquiries regarding discrimination policies, Title VI, VII, and Title IX may be directed to Ms. Rivers, Director of Personnel. Telephone: 803.584.4603 (Ext. 1115).

Student Achievement Goals

AFHS is a Palmetto Priority School. In an effort to increase student achievement, we have established goals. Based on our student achievement goals, we project an increase in student performance on End of Course, ACT, and WIN.

1. Decrease discipline referrals by fifteen percent (15%) annually.
2. Increase the average ACT score by five percent points annually.
3. Increase the percentage of students who meet Platinum, Gold, or Silver on the WIN assessment by at least fifteen (15%) annually in Applied Mathematics, at least five (5%) in Reading for Information, and at least ten (10%) in Locating Information.
4. Increase the End of Course passage rate by fifteen (15%) annually in Algebra 1, Biology, English 1 and US History and Constitution.

Activities and Strategies for Achievement

- Revise grades 9-12 curriculum and pacing guides with state standards for English Language Arts, Mathematics, and other content areas.
- Continue to have monthly data talks with content teachers.
- Continue to administer Mastery Connect assessments at least twice each year in grades nine and ten.
- Use formative assessments data to guide instruction in English Language Arts, Mathematics, and other content areas.
- Continue student and teacher assessment reflections to discuss assessment results.
- Infuse technology and problem-based learning into instruction.
- Continue on-going Professional Development for faculty and staff.
- Use Observation results to guide feedback and coaching conversations
- Continue teacher and student celebrations
- Continue to implement an effective Credit Recovery Program beyond the regular school day.
- Provide virtual courses to increase course offerings.
- Continue to provide a system of extra-help by revising the after-school program to focus on student achievement.
