Tigerville Elementary School

Total Quality Education

Mission We will provide quality educational experiences tailored to meet the individual needs of students.

Beliefs We believe...

- All children can learn.
- Education is a joint responsibility of home, school, and community.
- School should be a safe and inviting place.
- The physical, social, and emotional development of the child is relevant to learning.
- School should be a place where respect, responsibility, honesty, and cooperation exist.
- Each member of the school community brings a unique variety of gifts, interests, and experiences to the classroom.
- Students should learn skills that enable them to handle everyday life situations.

Action Plan Goals

- For the 2011-2012 school year, at least 79.4% of all students will score Met or Exemplary on PASS in ELA.
- For the 2011-2012 school year, at least 71.4% of all students will score or Met or Exemplary on PASS in Math.
- The number of common assessments created will increase from a minimum of 3 in 2010-2011 to a minimum of 8 in 2011-2012.
- In the 2011-2012 school year, volunteer hours will increase to 6,900.

Results

We are proud of all of the successes our students, teachers, parents, and community members have helped our school achieve even as we continue to plan for the future and look for opportunities to provide high academic standards and a quality educational experience for all.
