

From the desk of :
Mrs. Ketron, Principal

Our commitment at Welcome Elementary School is to provide a safe, positive, caring and learning environment. I believe that every student can and will succeed if provided the right supports and opportunities to be challenged. You should know that while I take my role as principal very seriously, I also believe that learning should be fun! I also know that the best schools are those where every single person feels valued, safe and welcomed. It is my top priority to ensure that everyone who enters the doors of Welcome Elementary feels like part of the Welcome Family!

Our Mission

We will learn in a safe, nurturing environment to achieve academic success and become productive citizens.
