"Where Students and Staff Take Time to Be Kind"

Annual Report to the Community

2023-2024

Our Mission

We are kindness leaders, relationship builders, and successful learners. We are Greenbrier, the school of kindness.

Our Vision

Student success is based on building relationships and fostering kindness.

- All students are unique individuals with distinct abilities and are capable of learning.
- Positive relationships among home, school, and community are essential.

Official Leader In Me School

The staff of Greenbrier Elementary School has made the commitment to model and implement the 7 Habits of Highly Effective People in order to provide a caring and nurturing learning environment for our students.

Teaching students and developing leaders is what we do! Through the teaching of the 7 Habits, our staff is working together with students to create a school that maintains the dignity of children through productive interactions while fostering positive relationships with parents and other community members.

The "Parent's Place" is available at www.theleaderinme.org. Here you will find ideas to use at home to reinforce your child's learning and involve family in a fun, interactive way.
