Grove Elementary Mission

Grove Elementary School will develop and promote an environment that ensures all students will attain the highest level of academic success as determined by state and national standards. The entire school population: faculty and staff, parents, students, and community members will function as a system of support to provide an atmosphere where mutual respect, promoting a high quality curriculum, and embracing learning as a life-long activity is fostered.

2013-2014 Dress Code

The school-wide standard dress code is as follows:

- Jeans/Pants
- Shorts/Skirts (must come to the top of the knee)
- Jeans/Pants/Shorts/Skirts with belt loops must be worn with a belt
- Shirts must have a collar and sleeves (solid colors only: NO stripes, checks, logos, etc.)
- All shirts must be tucked in at all times
- School T-Shirts may be worn on Fridays to promote school spirit.

Growing Minds and Bodies

Grove has a comprehensive plan to provide nutritional education to our students in all classroom environments. The CATCH program integrates healthy eating, activity, and instruction in to a coordinated program to promote a healthy lifestyle. The program focus is a combined efforts of school, home, and community.

CATCH also promotes an active lifestyle. Student clubs support that philosophy. The FIT Club teaches students to develop healthy bodies. The FIT Club meets before school one morning each week.

The Running Club meets two afternoons a week with a focus on overall health and nutrition. Club members end their training with a 5K run.
