Heritage Elementary

IB World School

Hometown School—World
Class Education

Annual Report to the Community 2017-2018

*The mission of Heritage Elementary is
to provide high quality inquiry based
experiences that empower tomorrow's
leaders.*

Heritage Elementary

Hometown School--World Class Education

Firmly rooted in the Travelers Rest community, Heritage is a hometown school. Our students' families live, work, and play in our community... and many families have been here for generations. Heritage also offers students a world class education through the International Baccalaureate Primary Years Programme. This inquiry based program prepares our students to be great members of not only our local community, but our global community as well.

Our goal at Heritage Elementary School is excellence for all students. We aspire to achieve this excellence through offering a well-rounded curriculum in our IB-PYP program. Students not only study the core academics of reading, writing, mathematics, science and social studies, but also Spanish, PE, Music, and Art. Through this rich curriculum, students find ways to excel in areas that are unique to their abilities and interests. The Heritage Staff have offered a variety of enrichment opportunities to students throughout the year. Each of these opportunities allows our students to find paths to success. The theme for the 2017-2018 school year is "Spotlight on Success". We recognize that each student has unique talents in a variety of areas. Every individual student deserves their opportunity to shine. We work hard each and every day to highlight individuals and shine a spotlight on them. How will YOU shine this year?

We couldn't do what we do each and every day without the wonderful support of our PTA, SIC, OLLI volunteers, and the Cliffs at Glassy. Each of these partners are instrumental in offering our students and staff support to insure their success.

Thank you for your continued support.

Heritage School Goals

Performance Goal: To raise the academic challenge and performance of each student.

Performance Statement: Meet the state and federal accountability objectives for all students and subgroups in Writing, English, Reading, and Mathematics each year.

Results:

SC Ready Grades 3-5

95.6% Student Attendance Rate

International Baccalaureate Primary Years Program

The Mission of the IB program is to "develop inquiring, knowledgeable and caring young people who help to create a better world through intercultural understanding and respect." Students are taught to reflect and assess their role as learners using the Learner Profile traits: **Inquirers, Thinkers, Communicators, Risk-takers, Knowledgeable, Principled, Caring, Open-minded, Well-balanced, and Reflective.**

IB students also develop and practice the IB Attitudes in the community as well as at school. The IB attitudes are **Empathy, Tolerance, Integrity, Curiosity, Enthusiasm, Independence, Confidence, Appreciation, Commitment, Respect, Creativity, and Cooperation**
