Mission Statement:

The mission of Mauldin Middle School is to prepare all students to succeed in becoming lifelong learners and responsible, productive citizens.

Vision:

The vision of Mauldin Middle School is to develop 21st Century learners by creating a collaborative learning community. We will ensure life-long learners who are responsible, productive citizens by encouraging discovery and exploration through personalized learning.

ACCOMPLISHMENTS OF SIC

- * Focused on the mentorship program for our students. We partner with businesses, community members, and parents for participants that are good role models, good listeners and that can share positive life experiences. Canvassed local businesses as well as churches in our community to recruit potential mentors.
- * Continued supporting benchmark testing by securing reward donations and assistance with distribution of rewards for our students. The goal is to increase student testing engagement by positive reinforcement.
