Riverside Middle School

Learning Today. Leading Tomorrow.

Report to the Community 2013-2014

WITH A MOTTO of,
“Learning Today.
Leading Tomorrow,”
our diversity is our
strength at Riverside
Middle School. We've
brought together
many different
backgrounds, talents,
and ways of thinking
to create one of the
finest middle school
environments
imaginable.

Located in the foothills of the Piedmont in Greer, South Carolina, Riverside Middle School opened its classrooms to students in the fall of 1999. The school contains 137,000 square feet of space that accommodates our current enrollment of 1,125 students. There are 50 classrooms (70% of which are equipped with state-of-the-art Promethean Boards), 14 labs, classrooms for fine arts and vocational education, along with a cafeteria for special performances and assemblies. Our physical education and sports facilities include a gymnasium, two softball fields, a football/soccer field, a track, four paved basketball courts, and four tennis courts.

The vision for our school is that every student will be provided diverse opportunities to experience

success academically, socially, emotionally, and physically, and for them to be encouraged to take responsibility to become active learners. Ultimately our vision is for our students to experience success in future educational endeavors and to be productive members of society.

In reaching that vision, many accomplishments (see side bar and page 5) have been realized, among them, RMS being named winner of the **Palmetto's Finest Award**. RMS students' academic achievement has been well documented by a Good or Excellent rating every year (including the pilot year) on the State School Report Card. Students participate and excel in local, state and national competitions that represent all aspects of school life including

academics, the arts and athletics.

Though always proud to discuss our successes, the faculty, staff, parents and students of Riverside Middle School realize that excellence is the *vision* and not the *destination*. Working together, we continue to identify and set goals that must be attained in order to continue to provide the best possible educational community.

Riverside Middle School, in cooperation with the home and community, will provide opportunities which prepare students intellectually, socially, emotionally and physically to become productive and responsible members of society.

OUR MISSION

Report to Parents 2013-2014

Dear Parents,

Welcome to Riverside Middle School! We are looking forward to an exciting year full of excellent learning opportunities. In cooperation with the home and community, the mission of Riverside Middle School is to provide opportunities which prepare students intellectually, socially, emotionally, and physically to become productive and responsible members of society.

During my time here, I have experienced first-hand why RMS continues to lead the way in Greenville County. The cooperation between parents, community members, staff and students is the key to our success. As we look forward to this school year, we will continue to improve in an effort to offer our students an even more exceptional learning environment.

Dr. William Pollard once said, "The arrogance of success is to think that what we did yesterday is good enough for tomorrow." I am extremely grateful for your tremendous support this year and I look forward to working together to educate our children. I welcome your input as we work to move RMS forward. If you have ideas or suggestions feel free to stop by the school or contact me.

Eric L. Williams,

Principal

Riverside Middle School

Unshu Biyani

RMS Student Council President 2012-13

"Riverside Middle School redefines school in every aspect. RMS offers more opportunities in education, socializing, and extra-curricular activities than any other school in the state.

Our school has only grown and continues to grow for the better of its students."

Erin Greiner

RMS Teacher of the Year 2013-14

"I am grateful to serve the families in the same community in which I grew up. Being a part of the Riverside Family is an honor."

Cherell Harris & Tammie Pinson

PTSA Co-Presidents 2012-13

"It's the hard work of our students and teachers in the classroom, the involvement of our parents at school and at home, and the contributions and support of our local community that make RMS special."

Randy Counts

RMS Assistant Principal

"In my opinion, we are the best school in the state! Wonderful teachers, great students, awesome parents - what a special place to be!"
