- Wireless Network
- Virtual Field Trip Lab
- Digital Leader Corps School
- iPad Minis in each classroom
- Eight Rolling Laptop Carts with 30 computer ea.
- Compass Reading and Math, First In Math
- Accelerated Reader

## *Five Year Goals*

---

**Our state is transitioning to new standards and a new state test for the second year in a row. This school year will mark the baseline for reading, writing, and mathematics using the new assessment called SC Ready. Once baseline data and national norms are created, we will rewrite our school goals for these areas. Our state will continue to administer the science and social studies test used in previous years. Bell's Crossing will strive to meet the goals we set in these two areas.**

### **PERFORMANCE GOAL 4**

Maintain the percentage of students meeting standard in science as measured by the Palmetto Assessment of State Standards (PASS) from 85.9% in 2012 to 85.9% in 2018.

### **PERFORMANCE GOAL 5**

Maintain the percentage of students meeting standard in social studies as measured by the Palmetto Assessment of State Standards (PASS) from 87.7% in 2012 to 87.7% in 2018.

## *Next Steps*

---

- Transition to New State Standards
- Writing Integration In Science
- Text Dependent Analysis
- Enhanced Reading Certification for Teachers
- Technology Integration through Discovery Education
