

SIC Report to the Community

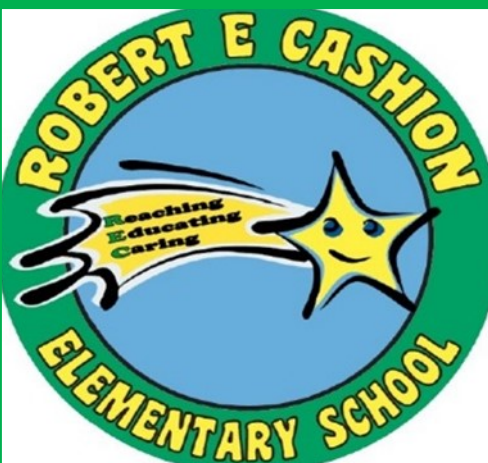

Career and College Corner

In support of our district-wide Graduation Plus initiative to ensure all students are college and career ready, students are learning various careers and education requirements during school counseling lessons. We will also feature a special news segment on REC's news show that focuses on connecting school to work. Students are learning the importance of setting future goals and the different opportunities that are available to them.

Our motto at Robert E. Cashion Elementary is "Working Together is Success" and our School Improvement Council is an important piece to our success. In December, our SIC organized our 3rd Annual "Growing Our Future Day." With the help of BETA Club students, we planted 40 perennial plants at the front office entrance. Our SIC brainstormed a variety of clubs for all grade levels. This school year we have added a Garden Club, Change the F.O.C.U.S mentor program, and Drama Club. This adds to our existing clubs such as Safety Patrol, Beta Club, Chorus, I'm A Lady mentor program, Battle of The Books, and REC News Crew. We are teaming up with the local Rotary Club to sponsor a Girls on the Run program for the fall of 2019. Next year our SIC will continue to support our school with our "Growing Our Future Day," however, we will focus on strategies to continue to support our quality teachers. Our school community is 100% committed to our beliefs and vision for our school. The commitment is proven through the work of our SIC at Robert E. Cashion Elementary. We will continue to Pursue Excellence at REC as we Build on our Success for the 2019 - 2020 school year.

REC—School Improvement Council

Robert E. Cashion Elementary
2018-2019

Reaching... Educating... Caring

2017 - 2018 Statewide Testing Results

SCReady (ELA-Overall)	3rd	4th	5th	Overall
2018	42%	45%	31%	39%
