- Provide a Balanced Literacy based reading/language arts program that uses thoughtful and comprehensive engagement with high-quality literary and informational texts to build knowledge of skills and strategies in reading, writing, listening, and speaking.
- Improve curriculum by ensuring all instruction is standards-based and effectively utilizing assessment data.
- Promote collaboration and teamwork, as we work towards a shared goal of increasing student achievement and high expectations for all children.

STUDENT ACADEMIC ACHIEVEMENT

In December 2016, Cherrydale Elementary second - fifth grade students completed MAP testing. We are proud of our teachers and students for the great gains made in reading and math. Of the 341 students that participated in MAP Fall 2016 testing, majority of our students increased in reading and math from Fall to Winter testing! During the Fall, students were given MAP goals to work toward for Spring testing.
