MISSION, VISION, AND CORE BELIEFS

The mission of Thomas E. Kerns Elementary School is to develop successful, responsible, and respectful life-long learners.

Vision

We strive to encourage a culture of excellence for students, staff, parents, and community.

We believe...

All children can learn.

Teachers are responsible for providing a high-quality education to all students and encouraging strong collaboration with families.

Education should be developmentally appropriate and differentiated to meet individual needs.
