A Note From the Principal:

Dear Parents and Community Members:

Our school's theme is "On the Prowl to Excellence." The faculty, staff, and student body have really embraced this idea. Allendale-Fairfax Middle School continues to strive to develop an culture of academic excellence in all aspects of the educational environment through academics, athletics, and a variety of organizations available within the school setting.

The goals and strategies selected by the staff of Allendale-Fairfax Middle School are to improve instruction and student achievement especially in English/Language Arts and Mathematics. Improvement in both of these areas will translate into higher achievement in all curricular areas Through effective implementation and diligent monitoring of the initiatives and strategies for student achievement goal one, we project increased student performance on PASS and the state mandated assessment for ELA and Math. It is our projection that successful implementation of the student achievement goal will provide the impact and gains needed to meet expected progress.
