Report to Parents

Together, We Can Do This

Allendale-Fairfax Middle School

We, the faculty at AFMS, will prepare every student with a world-class, holistic education enabling them to graduate college, career, and life ready.

WE PROMISE TO . . .

Provide instruction that is student centered, taking into account each student's diverse social, emotional and physical needs in order to maximize student success. Additionally, we promise to promote a caring relationship between staff and students that fosters mutual respect and an appreciation of the differences in one another.

Allendale - Fairfax Middle School Goals

Allendale-Fairfax Middle will work to ensure that each student will be equipped and prepared with the knowledge and skills to enter college, the military or the workforce which are reflective of the SC Graduate Profile. We will achieve this by providing a safe, nurturing, and academically challenging learning environment.

"Together, We Can Do This"

School Improvement Council Goals

Goal 1: Increase Parental Involvement and Communication

Increasing parental involvement and communication has been a key focus. The school implemented consistent weekly newsletters and held regular parent - teacher conferences. Additionally, they utilized communication platforms such as Parent Square, ThrillShare, and Facebook to provide updates.

Goal 2: Increase Student Achievement

This year, a Title I curriculum night was held to immerse parents in the curriculum being taught at AFMS. Parents engaged in station rotations learning about Math, Science, and English Language Arts content.

Goal 3: Decrease Absenteeism Rate

Weekly attendance competitions were held among the grade levels. The winning weekly grade level was treated to either an ice cream party, popcorn, and/or blow pops.
