SIC Annual Goals

1. Students will obtain a license or certification upon completion of their chosen career program.

2. Students will experience at least one work-based learning opportunity – this can include virtual job shadowing, onsite job shadowing, a structured field visit, an internship, co-op, or apprenticeship.

Student Achievement

Donaldson currently has a 100% placement rate with our program completers.

Donaldson Career Center, like other schools in the state, did not receive a report card grade for 2015-2016 and 2016-2017.

“For more information, you may view Myschool’s “S.C. School Report Card” for the previous school year online at www.ed.sc.gov.”

Purpose of the Report

This Report is issued by the Donaldson Career Center School Improvement Council in accordance with South Carolina law to share information on the school’s progress in meeting various goals and objectives, the work of the SIC, and other accomplishments during the school year.
